OUR VISION

As a community with several village and hamlet areas, the Town of Manlius is recognized for inspiring collaboration, operating with a regional lens, and proactively planning for the future. Looking forward, we aspire to:

1. Maintain attainable and attractive living options for current and future residents,
2. Foster an environment that welcomes and supports local businesses,
3. Provide exceptional opportunities for recreation and the enjoyment of our community, and
4. Continually improve the overall quality of life of our residents.

Furthermore, we intend to build a sustainable future for our community by engaging in environmental stewardship for the protection of our natural resources and by promoting the inclusion of all resident voices in our community's decision-making processes.
