To be given consideration, requests must be received at least six calendar days prior to the date fixed for the opening of bids. 2.4 BID INSTRUCTIONS

All blank spaces in the Bid Forms, applicable to the Contract for which a Bid is being submitted, must be appropriately filled in with ink and with both words and figures, except as provided below, and the Bid must be properly executed.

If more than one Contract is included in these Documents, any Bidder may submit a Bid on any one Contract, or on any combination of Contracts but not on any part of any Contract. In such a case, all blank spaces on each applicable Bid Form shall be filled in and executed as noted above. Only one set of Contract Documents is required for submitting of a bid or bids from one Bidder on any or all the Contracts.

When numbered Alternate Bid Items are provided under any Contract, each Bidder must submit a bid price for each numbered Alternate Item.

DO NOT REMOVE THE BID FORMS FROM THIS BOOK. ALL CONTRACT DOCUMENTS, EXCEPT SEPARATELY BOUND CONTRACT DRAWINGS, MUST BE SUBMITTED WITH THE BID. CONTRACT DOCUMENTS ARE DEFINED IN THE AGREEMENT.

Fixed minimum unit prices and/or fixed maximum lump sum prices may have been established for some of the items in the Bid. In such cases, the prices represent the minimum or maximum amounts which will be paid the Contractor for these items. If in the opinion of the Bidder these prices do not reflect the actual value of the work involved the bidder may;

- a. Void the given fixed minimum unit price for that specific item and enter a higher unit price in the spaces provided in the bid sheets.
- b. Void the given fixed maximum lump sum price for that specific item and enter a lower lump sum price in the spaces provided in the bid sheets.

If the Bid is made by a corporation, the official corporation name shall be given, and the Bid shall be signed by an authorized officer of the corporation, and the corporate seal affixed. If the Bid is made by a partnership, the official name as it appears on the Assumed Name Certificate shall be given and the Bid shall be signed by a partner. If the Bid is made by a sole proprietorship, the Bid shall be signed by the individual owner.

All attachments, certifications or acknowledgments attached to the Bid shall be executed in the same manner as the Bid.

Where noted in the Bid, Bidders must submit a separate price for all the materials and supplies required for the construction of the project, and a separate price, exclusive of materials and supplies, for all work and labor required for the construction of the Project. In such cases, Bidders must also submit a total Bid for the entire Project which is computed by adding together the Bid for materials and supplies and the Bid for work and labor.

2.5 DISCREPANCY IN BIDS

In the event there is a discrepancy in any Bid between the unit prices and the extended totals, the unit prices shall govern. In the event there is a discrepancy in any Bid between the unit or lump sum prices written in figures and the unit or lump sum prices written in words, the unit or lump sum prices written in words shall govern. Bids which do not contain a price for every numbered item contained in the applicable Bid Form may be accepted.

2.6 LOWEST BIDDER

Bids will be compared based on the correct totals of the schedule of quantities comprising all items at the unit and lump sum prices bid for these Items. The lowest Bidder under each Contract will be that Bidder whose Bid totals the lowest number of dollars as determined above.

When numbered Alternate Bid Items are required, the lowest Bidder is the Bidder who's Bid for the Alternate or combination of Alternates, selected by the Owner, is the lowest. It shall be understood that the Owner reserves the right to select any Alternate or combination of Alternates.

Immediately following the Canvass of Bids, the lowest Bidder will be required to furnish the Owners statement as to his qualifications and experience, and a sworn financial statement properly notarized.

2.7 DAMAGES FOR FAILURE TO EXECUTE CONTRACT

If an accepted Bidder shall fail or refuse to sign and deliver this Contract and the required surety bonds and insurance documentation within fifteen days after Award, the Owner shall retain, as partial damages for such failure or refusal, the Bid security of such defaulting Bidder. In addition to such damages, the Owner reserves whatever other rights and remedies it may have against such defaulting Bidder.

2.8 MISTAKES IN BID

Where a unilateral error or mistake is discovered in a Bid, such Bid may be withdrawn after a showing of the following:

- a) the mistake is known or made known to the Owner prior to the awarding of the Contract or within three days after the opening of the Bid, whichever period is shorter: and
- (b) the price bid was based on an error of such magnitude that enforcement would be unconscionable; and
- (c) the Bid was submitted in good faith and the Bidder submits credible evidence that the mistake was a clerical error as opposed to a judgment error; and
- (d) the error in the Bid is actually due to an unintentional and substantial arithmetic error or an unintentional omission of a substantial quantity of work, labor, material or services made directly in the compilation of the Bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of the original work papers, documents, or materials used in the preparation of the Bid sought to be withdrawn; and
- (e) it is possible to place the Owner in status quo ante.

Unless otherwise required by law, the sole remedy for a bid mistake in accordance with this section shall be withdrawal of that Bid and the return of the bid security, if any to the Bidder. Thereafter, the Owner may, in its discretion, award the Contract to the next lowest bidder or rebid the Contract. Any amendment to or reformation of a Bid or a contract to rectify such an error or mistake therein is strictly prohibited.

3.0 AWARD OF CONTRACT

3.1 AWARD OF CONTRACT

The award of the Contract will be made to the most responsive, responsible Bidder, who, in the opinion of the Owner, is qualified to perform the Work required and is responsible and reliable.

The award shall be made by the person or body authorized by law to make such awards. Formation of legally binding obligations between the Owner and Bidder (Award) shall occur upon the mailing of written notice of the Award to the successful Bidder.

It is the intention of the Owner that the Work will be awarded within 45 calendar days after the opening of Bids to the lowest responsible Bidder or combination of lowest responsible Bidders whose Bids conform to the requirements of the Bidding Contract Documents. Bids may not be withdrawn, altered or revoked during this 45-day period. Even after the expiration of such 45-day period, the Owner may accept a Bid and Award the Work to any Bidder whose Bid has not been unequivocally withdrawn or revoked prior to the mailing of written notice of the Award to the successful Bidder.
