

**Allied Sign Company, 5427 N Burdick St., Fayetteville (tax map # 086.-01-04.2) Requesting two variances in install (1) DS 6-foot 11-foot 13/16-inches X 16-foot internally illuminated pylon sign with faces to be routed with push through Acrylic.**

Chairman T. Kelly stated the public hearing was held open from the prior meeting.

Greg Kishel, Allied Sign Company, stated that Telsa has moved the location of the sign as shown in revision (9) of the site plan dated August 15, 2023. Explaining the sign will be 46 feet from the road and on the edge of the parking lot in front of the building and not in the parking lot as previously discussed. In this location it will be more in line with the neighboring signs.

Code Officer Poitras stated that the neighboring business was provided with the revised plan for the sign with a response of thank you.

Member Catalino made a motion, seconded by Member Linhart, to close the public hearing at 6:49 PM and it was carried unanimously.

**Board Questions**

Chairperson T. Kelly proceeded with the board through the five (5) criteria questions:

- 1) Whether the benefit sought by the Applicant can be achieved by some other feasible method? The board answered yes, but they have come up with a reasonable alternative.
- 2) Whether the Variance will result in an undesirable change in the character of the neighborhood or to nearby properties? The board answered no.
- 3) Whether the requested Variance is substantial? The board answered yes based on the town code.
- 4) As to whether the Variance will have an adverse effect on physical or environmental conditions? The board answered no.
- 5) Whether the alleged difficulty was self-created? The board answered yes, they want a sign to promote their business.

**Determination of ZBA Based on the Above Factors:**

The ZBA, after taking into consideration the above five factors, finds that:

  X   The benefit to the applicant **DOES** outweigh the Detriment to the Neighborhood or Community.

       The benefit to the applicant **DOES NOT** outweigh the Detriment to the Neighborhood or Community and therefore the variance requested is denied.

The ZBA further finds that a variance of **94.92 square feet per face and a variance of 10 feet for the height** is the minimum variance that should be granted in order to preserve and protect the character of the neighborhood and the health, safety and welfare of the community.

The ZBA further **GRANTS** the variance as requested with the following conditions: **The sign be only placed in the location that is in the revised plan (9) dated August 15, 2023 that is attached to the application submitted.**

**SEORA Review**

Chairperson T. Kelly determined the proposed project and action contemplated is comprised of a Type II Action pursuant to the New York State Environmental Quality Review Act, and as such no further review was required.

### **Kristen Coulter, 212 McClennan Dr., Fayetteville (tax map # 085.-04-19.0)**

John Coulter, the contractor, stated they would like to place a 6-foot by 10-foot mudroom on the south end of the house. Mr. Coulter stated that the existing shed will be moved to the backyard and the existing gate will be replaced and moved over. Mr. Coulter stated that the side entrance is used as the main entry to the house. The addition will have no plumbing, just electricity.

Member Catalino made a motion, seconded by Member Linhart, to open the public hearing at 6:59 PM and it was carried unanimously.

Concerning the distance between the houses Code Officer Poitras stated that they are only concerned with the applicant's property line not the neighbors. Code Officer Poitras stated that the sheetrock will give the house fire protection.

Member KP Kelly asked if the addition would be insulated. Mr. Coulter stated that the addition will be insulated in the walls and floor.

Mr. Andrews the neighbor to the south spoke with Code Officer Poitras and stated that he okay with addition.

Member Linhart made a motion, seconded by Member Miller, to close the public hearing at 7:10 PM and it was carried unanimously.

### **Board Questions**

Chairperson T. Kelly proceeded with the board through the five (5) criteria questions:

- 1) Whether the benefit sought by the Applicant can be achieved by some other feasible method? The board answered no because the lot is so narrow.

- 2) Whether the Variance will result in an undesirable change in the character of the neighborhood or to nearby properties? The board answered no.
- 3) Whether the requested Variance is substantial? The board answered no.
- 4) As to whether the Variance will have an adverse effect on physical or environmental conditions? The board answered no.
- 5) Whether the alleged difficulty was self-created? The board answered yes because they wanted to add mudroom to the house.

**Determination of ZBA Based on the Above Factors:**

The ZBA, after taking into consideration the above five factors, finds that:

  X   The benefit to the applicant **DOES** outweigh the Detriment to the Neighborhood or Community.

       The benefit to the applicant **DOES NOT** outweigh the Detriment to the Neighborhood or Community and therefore the variance requested is denied.

The ZBA further finds that a variance **of 3 feet** is the minimum variances that should be granted in order to preserve and protect the character of the neighborhood and the health, safety and welfare of the community.

The ZBA further **GRANTS** the variance as requested with the following conditions: **None**.
